 - **Agreements or cooperation frameworks established:** 12
 - **SDG-related collaborative events:** 5
-

Programs and Services

● Academic and Institutional Partnerships

SSU collaborates with universities, organizations, and institutions to support academic development, research activities, and knowledge sharing.

● Research and Knowledge Exchange

Partnerships contribute to joint research initiatives, academic cooperation, and exchange of expertise.

● Institutional Development

Collaboration supports the development of institutional capacity, enhancing teaching, research, and administrative practices.

Impact

Through its partnerships and collaborative activities, SSU strengthens its role within the academic and institutional community. These efforts support knowledge exchange and contribute to sustainable development goals.

Institutional Support

- International and institutional relations offices
 - Academic departments and research units
 - Administrative support for cooperation agreements
 - Institutional commitment to collaboration
-

Future Priorities

- Expand partnerships with academic and external organizations
 - Strengthen participation in joint research and academic initiatives
 - Improve tracking and reporting of partnership activities
 - Enhance international collaboration
-

Evidence and Reporting

This page is based on institutional data collected for the 2025 reporting period and supports Sumgayit State University's Sustainability Reporting aligned with the Sustainable Development Goals (SDGs).
