Programs and Services

● **Student Support and Food Affordability**

Through scholarships and financial aid, SSU helps students cover essential living costs, including access to food. These measures are particularly important for students from low-income backgrounds.

● **Campus Food Services**

The university provides on-campus dining options that ensure access to safe and affordable meals for students and staff.

● **Health and Nutrition Awareness**

SSU promotes healthy eating habits through awareness initiatives, educational activities, and integration with broader health and well-being programs.

Community Engagement and Impact

By supporting students financially and providing access to campus services, SSU contributes to reducing food insecurity among its student population. These efforts promote equal opportunity and improve overall student well-being.
