

## SDG 6 – Clean Water and Sanitation

Sumgayit State University is committed to ensuring access to clean water and safe sanitation across its campus. The university supports student and staff well-being through reliable water infrastructure, hygienic facilities, and awareness of sanitation and health practices.

---

### Key Results (2025)

- **Number of SDG 5 courses offered:** 45
  - **Number of students involved in water-related research/labs:** 40/38
  - **Number of publications on water/wastewater:** 15
  - **Industry partnerships related to wastewater management:** 1
  - **Funded research projects on water sustainability:** 1
- 

### Programs and Services

#### ● **Water Supply and Infrastructure**

SSU provides access to safe and reliable drinking water across campus buildings, ensuring availability for students, staff, and visitors.

#### ● **Sanitation and Hygiene Facilities**

The university maintains sanitation facilities and hygiene standards to support a healthy campus environment.

#### ● **Health and Hygiene Awareness**

Hygiene education and awareness initiatives are integrated into broader health programs, promoting safe practices and disease prevention.

---

### Community Engagement and Impact

By maintaining clean water access and proper sanitation, SSU contributes to a safe and healthy learning environment. These efforts support public health and improve quality of life on campus.

---

### Institutional Support

- Campus infrastructure management systems
  - Maintenance and sanitation services
  - Health and safety oversight
  - Integration with university health programs
- 

### Future Priorities

- Improve monitoring of water usage and quality
  - Expand sanitation infrastructure where needed
  - Strengthen hygiene awareness programs
  - Develop data collection systems for water and sanitation indicators
- 

### Evidence and Reporting

This page is based on institutional data collected for the 2025 reporting period and supports Sumgayit State University's Sustainability Reporting aligned with the Sustainable Development Goals (SDGs).
